*Other includes Tobacco Tax Settlement, Motor Vehicle Fees, City of Berkeley, Cost Report Settlements, and more.

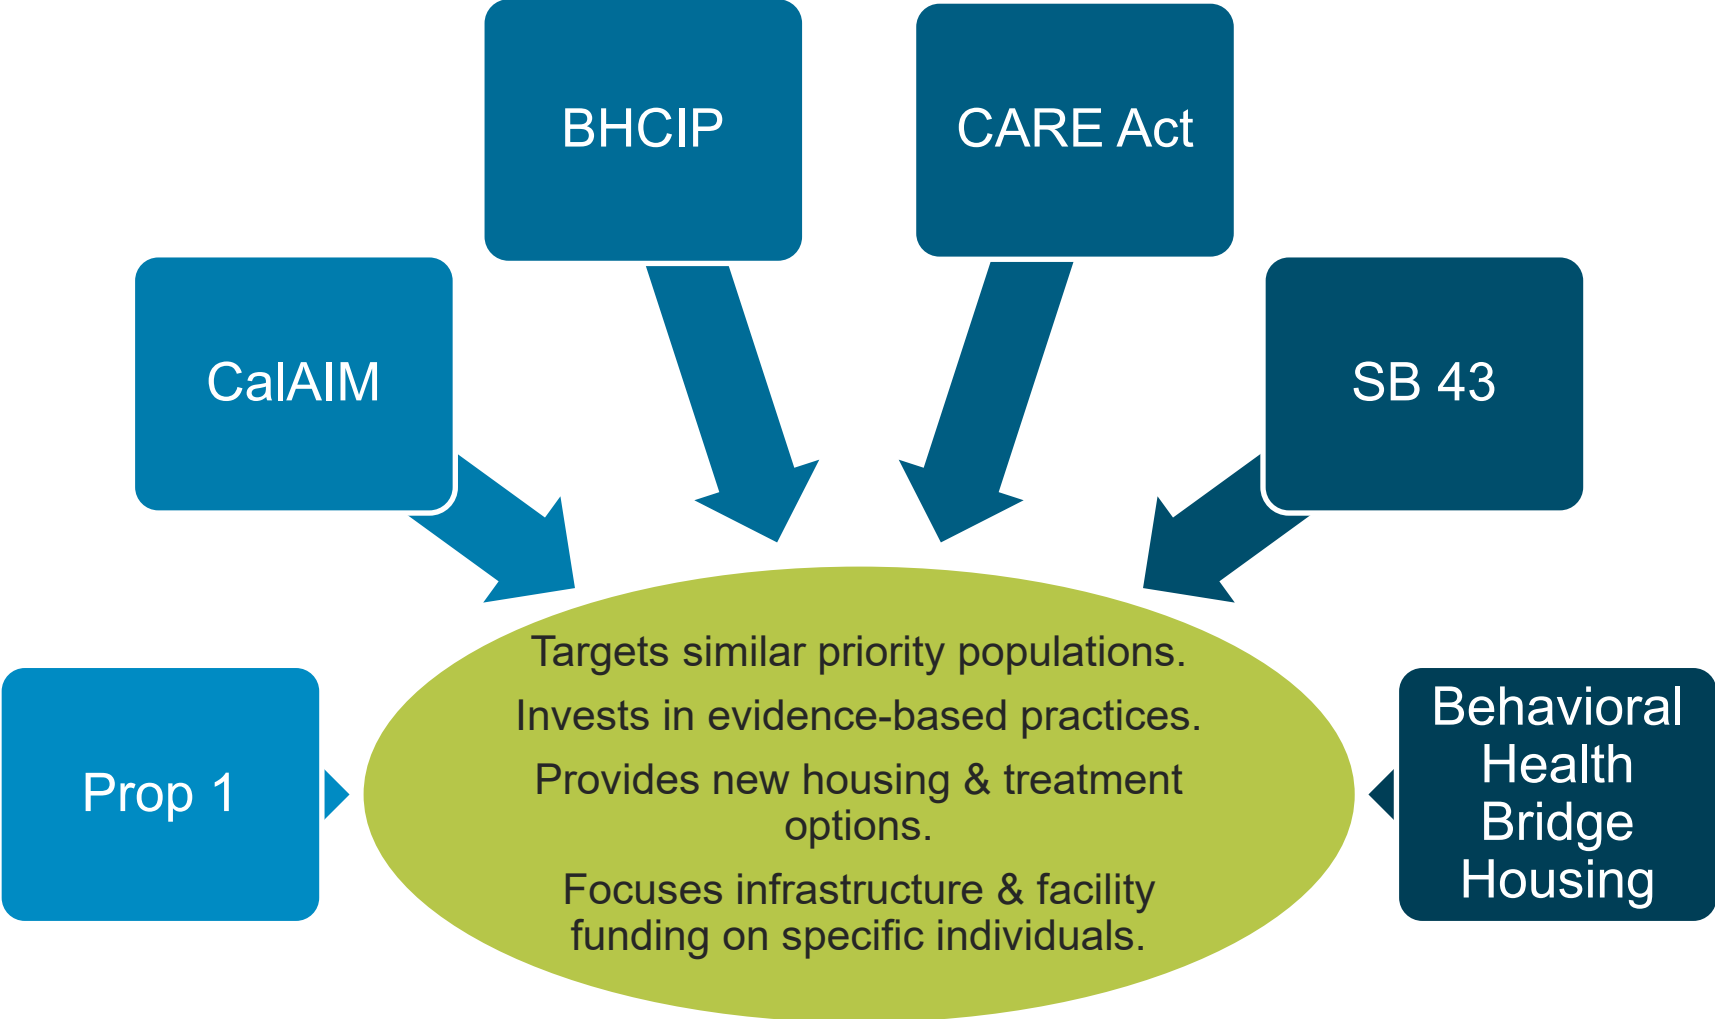

ACBHD and Provider Partnership

Sustaining our Continuum of Care

ACBHD and Provider Initiative Engagement

- Working with Providers during times of change
- What does this partnership look like?
 - Partnering with Providers to receive feedback and input around initiatives, such as CalAIM implementation state and federal regulation changes, and legislative updates.
 - Regular communication regarding initiative updates and system changes, such as SmartCare implementation, CalAIM payment reform and Proposition 1.
 - Meeting with providers to hear feedback and discuss opportunities, such as feedback around workforce challenges, data challenges and opportunities to collectively advocate problem solve.
 - Engaging with partners to address EHR and billing system challenges, such as duplicative data entry concerns and efforts to assist.
- Why does partnership matter?
 - Helps ensure we remain focused on the needs of our beneficiaries while also taking into consideration the critical needs of our providers to maintain these services.
 - Communication is essential to ensure providers receive timely regulatory updates and offer feedback.
 - Providers need information to stay aware and up to date and to help address challenges.
 - Ensure we maximize revenue and support CBOs to maintain their programs.
 - Collectively prepare for Prop 1 changes for our system.

How does Proposition 1 relate to other Statewide BH Initiatives?

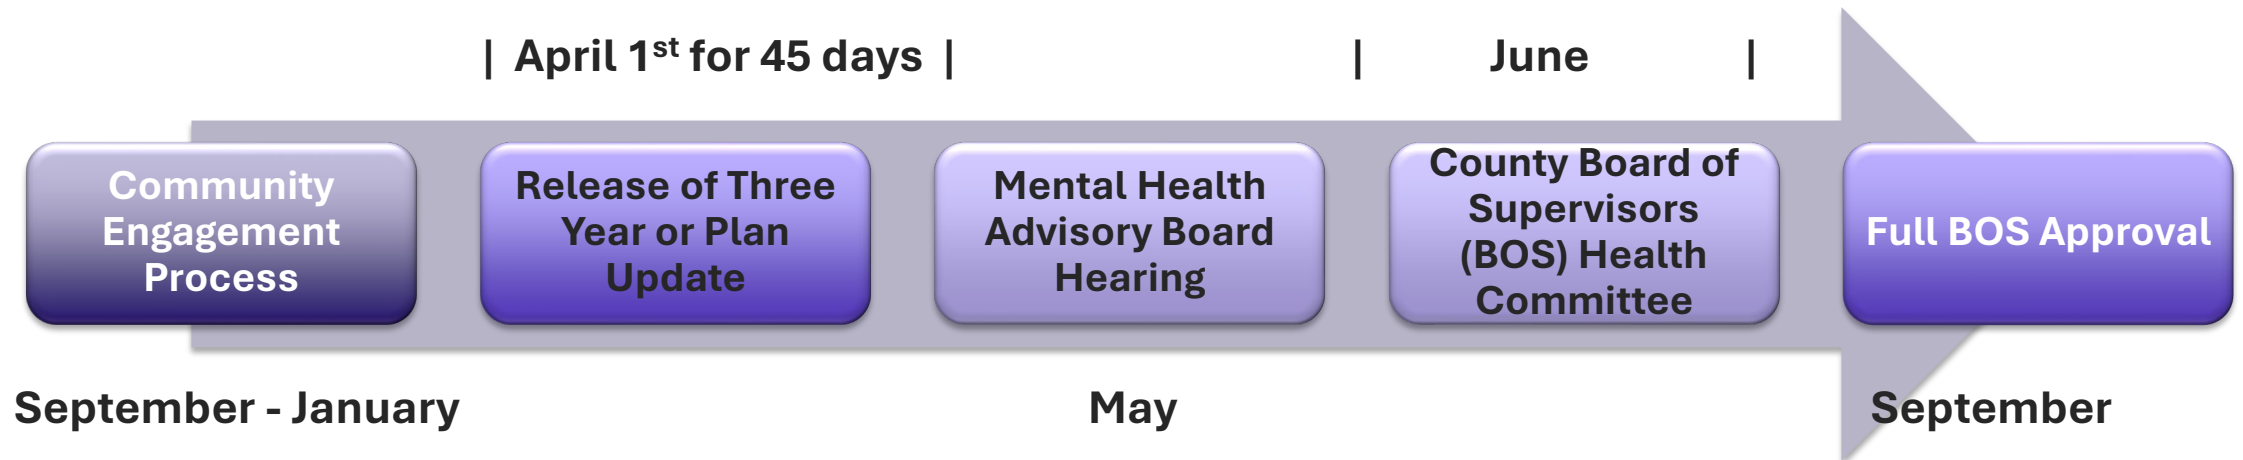

Behavioral Health Transformation

MHSA to Proposition 1 / BHSA

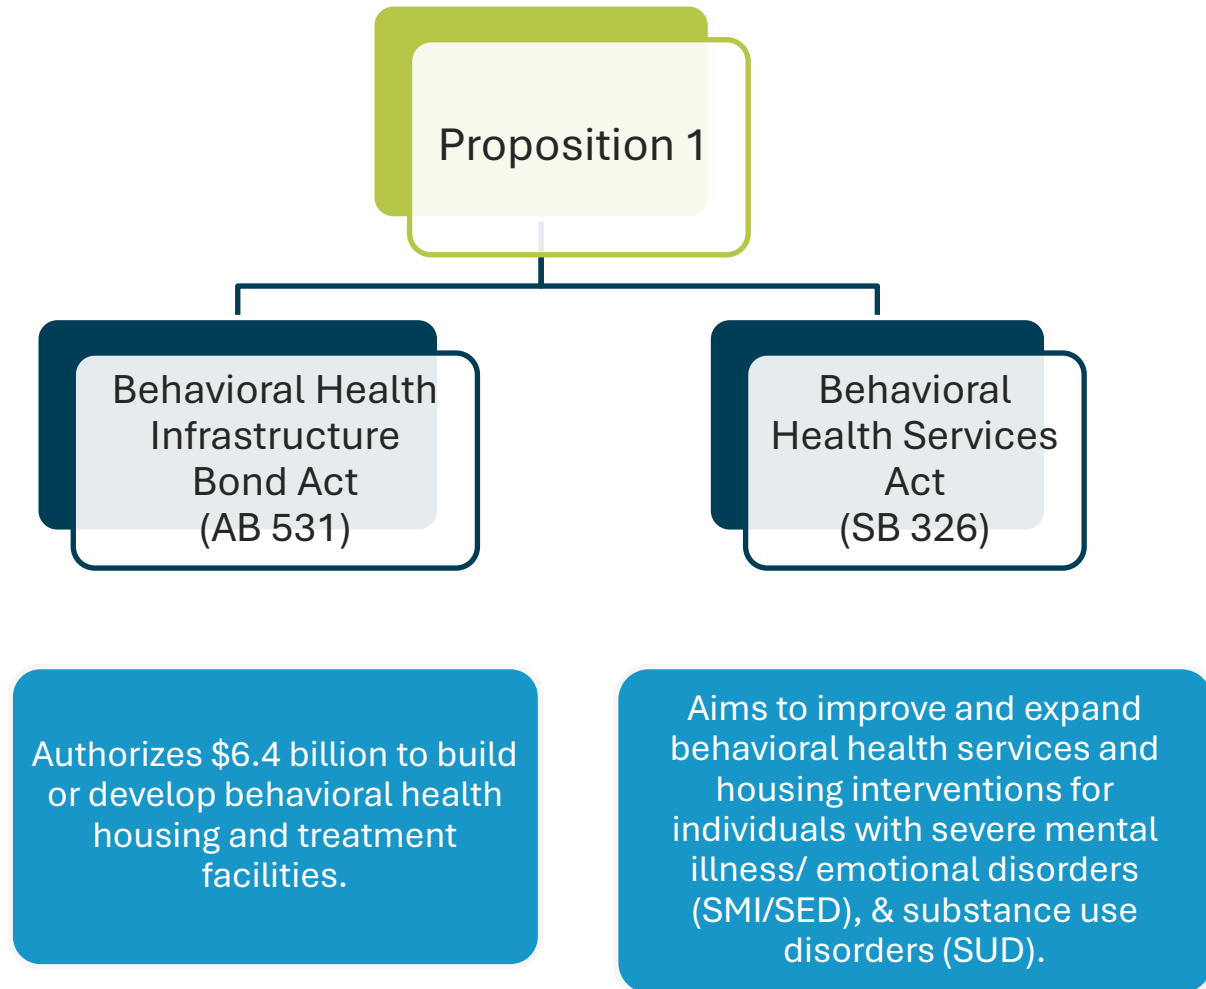

MHSA Next Steps – General Annual Cycle (Year 3 of 3)

- The ACBHD MHSA Division will begin its Community Engagement Process in September 2024 for the *final year* of MHSA funding.

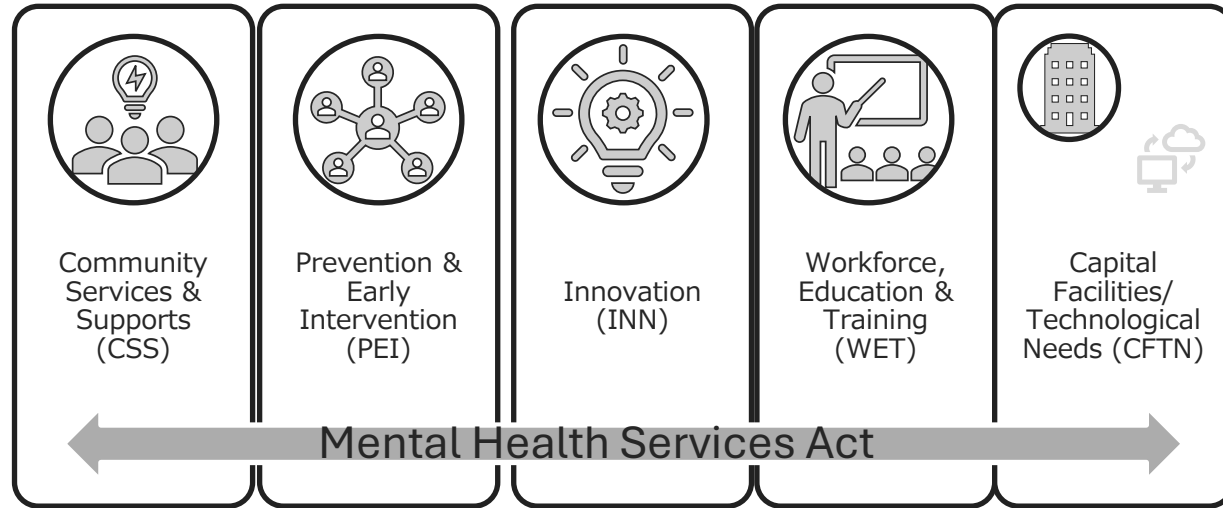

Behavioral Health Transformation (Proposition 1) - Overview

- Philosophical shift from prevention, intervention, and treatment across the mental health spectrum to focus on the most severely mentally ill individuals.
- Inclusion of eligible programming for those with substance use conditions.
- Significant focus on housing and homelessness.
- Statewide focus on increased accountability and transparency
- This change builds upon current and ongoing efforts to support vulnerable populations living with the most significant mental health conditions and substance use disorders.

Proposition 1: System Change

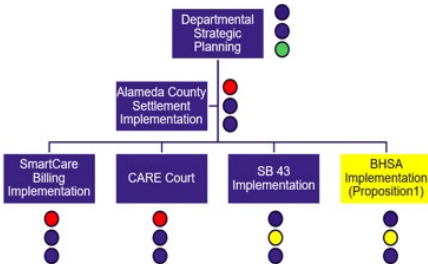

Proposition 1: System Change (1)

- Total BHSA revenue is distributed between county and state-wide allocations
 - 90% County Allocations]
 - 30% Housing Interventions
 - 35% FSP programs
 - 35% Behavioral Health Services & Supports
 - 10% State-Wide Investments
 - 3% state admin DHCS
 - 3% Workforce HCAI
 - 4% Prevention CDPH

Proposition 1 (“Prop 1”): Where Guidance is still needed.

- Operating and Funding Guidance for the Housing Category:
 - Due to conflicting information within SB 326, California counties are waiting for additional clarity on this component and how funds can be spent.
- Unexpended/ Carryover Funds:
 - Due to conflicting information within SB 326, California counties are waiting for additional clarity on this component and how funds can be spent.
- Early Intervention Programming:
 - Will a prescribed list of evidence and community-based models will be required?
- Prevention Funds:
 - How will local Behavioral Health departments access these funds?
- Workforce Funds:
 - How will local Behavioral Health departments access these funds?
- Innovation Funds:
 - How will these funds, from already approved projects, be tracked?
- BHSA Three-Year Integrated Plan (IP) Fiscal Years 2026/2027 – 2028/2029:
 - What format will DHCS require to cover and report on all funding streams-program and fiscal.

Behavioral Health Industry Shifts

Old Paradigm

- Community and Clinic-based
- Internal Illness
- Secret, problematic
- Talk Therapy, Insight-oriented
- Single Practitioner
- Surveillance or arrest
- Cost-based, cost-settled
- High volume, process-oriented

Evolving Paradigm

- Service Hubs, Telehealth
- Unmet Needs, Trauma, SDOH
- Destigmatized, open, organic
- Multi-modal, Skill-focused
- Team-based
- Support or treatment
- Fee for Service
- High efficiency, outcome & engagement

Workforce Shifts

Old Paradigm

- Institution loyalty = Belonging
- Extrinsic motivation, Boss-employee
- Educational Expertise
- Clinicians as Providers
- “Paraprofessionals” as Adjunct
- Limited Workforce Pathways
- Low Information, Data resistant

Evolving Paradigm

- Mission loyalty = Purpose & Belonging
- Intrinsic motivation, Partners
- Educational & Lived Expertise
- Clinicians as Providers & Consultants
- Professional Counselors, Coaches, Peers
- Career Development & Engagement
- High Information, Technology Comfort

Behavioral Health Demand

Youth MH Crisis

- Nearly **1 in 3 HS students in CA** report feeling sad or hopeless almost every day for two or more weeks in a row.
- **MH-related ED visits in CA increased by over 30% for Teens** since 2020.
- From 2007 to 2018, the **suicide rate of teens increased by 57%**.
- **Suicide is the second leading cause of death** among young people aged 10-24 in the United States.

Repeat Trauma

Gun Violence

Addiction

Poverty

Housing

Isolation

Suicide

Grief and Loss

Racism

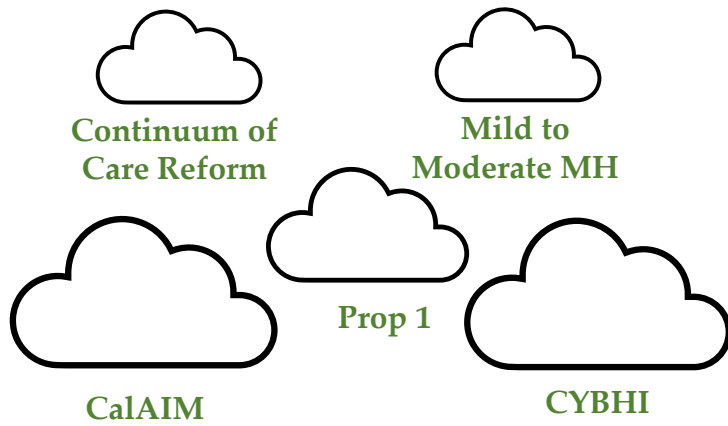

Rage

People in Distress

Acuity and Need

- About **43% of adults with MH needs do not receive treatment**, with BIPOC adults even less likely.
- **Over 40% of Alameda County homeless suffer from SMI**; over 30% have Co-Occurring addiction and mental illness.
- **50% increase in Opioid-related overdoses** in the last 5 years
- **CBOs report increased acuity and long waits for service.**

CBO Experience

State Changes

- DHCS SMH Billing
- CPT Coding
- Problem Lists, Tx Plans, Screenings
- Certified Peers
- Minimum Wage
- Minor Consent Medi-Cal
- 988 and Care Court
- Loss of GHs and STRTPs
- PAGA & Lawsuits

Alameda County Changes

- Static Funding
- Smartcare Issues
- Duplicative Data Entry
- Contract Compliance
- CBO Staffing Shortages
- County Staffing
- Operational Costs
- Housing Costs

Environmental Conditions

Supports and Strengths

- County Relationships
- Provider / Collegial Support
- Phasing Payment Reform / Cost Reimbursement
- EPSDT Eligibility
- School-based Services
- FSP & Housing Funding
- Audit Redesign

Pain Points

- Limited co-creation / Under-utilized expertise
- System Siloes
- Duplicative, Labor-intensive Data Entry
- Cost of Doing Business
- Clinician and Bilingual Shortages
- Operational and Insurance Costs
- Potential Loss of PEI

Anticipated Gaps

(in a Fee for Service, BHSA World)

Services

- Insufficient Provider Network
- PPS Exclusions of FQHC clients
- MHSA Services that cannot become MC Billable
 - Prevention, Early Intervention
 - No identified client
 - Light-touch, transitory treatment
 - Education, community-focused
 - ACCESS Lines

Expenses

- Travel, Documentation
- EHR design and redesign
- IT Security
- Capital Costs
- QA, Training
- Contract Compliance
- Billing Infrastructure

Bold Solutions

Collaboration

- Shared Vision, Focus, and Solutions
- Public-Private Coordination
- Forum for High-need Problem Solving

Data Management

- System Interoperability
- Decrease Administrative Burden
- Pooled Clinical Technology

Expand Medi-Cal

- Maximize state and federal funds
- Leverage county matching
- Redesign MHSA Programs

Contract Redesign

- Multi-year Contracts with CODB
Escalators
- Flexible Contract Caps and RUs
- Sustainable Rates

Building Opportunities for Self-Sufficiency (BOSS)

Donald Frazier, CEO

Building Opportunities for Self Sufficiency (BOSS): Approach to Poverty, Crime, Violence, and Incarceration

- ✓ *Centering the voice of the community's most impacted in service development/delivery to create a sense of ownership, respect, safety and belonging.*
- ✓ *Intentional recruitment hiring and training people with lived experience to help create and deliver services.*
- ✓ *Developing social justice programs that develops leaders with lived experience to fight for social, racial, and economic justice and to build a foundation for long-term success and stability for communities impacted by policy violence.*
- ✓ *Understanding the significance of policy violence and its impact on the lives of the people we serve.*

We believe our work, in this manner, is necessary to raise our people out of despair. We stand fearlessly unapologetic, passionate, and dedicated to give voice to the oppressed until change happens.

Social and Health Impacts of Incarceration

Data

- 2024 data sources reveal there are 950 active parolees and 5,248 adult active probationers in Alameda County.
- This does not include the thousands of individuals with lived experience of incarceration.

Impacts

- ✓ 1 in 5 Californians (an estimated 8 million people) are still living with an old criminal conviction.
- ✓ 8 in 10 people with a criminal conviction (76 percent) have experienced barriers to success.
- ✓ 46% difficulty finding a job
- ✓ 45% struggle paying fines or fees
- ✓ 40% health issues including difficulty sleeping
- ✓ 35% difficulty obtaining an occupational license
- ✓ 24% difficulty finding housing
- ✓ Black people are 25% more likely than white people to report difficulty finding a job
- ✓ 61% more likely to report difficulty finding housing
